Project Evergreen- Because Green Matters

Plainfield, New Jersey - July 30, 2008 - Project Evergreen is a not for profit organization that promotes and educates the public on the benefits of green spaces. Project Evergreen's mission is to raise awareness of the environmental, economic and lifestyle benefits of landscapes and to promote significance of those who preserve and enhance green spaces at home, work and play.

Green Care for Troops is a nationwide outreach program coordinated by Project Evergreen, that connects local lawn and landscape firms with men and women serving our country in the armed forces away from home.

Green Care has helped over 1300 volunteers provide free lawn and landscape services for over 6,000 military families nationwide.

Hewson Landscape is proud to provide, free of charge, lawn maintenance services to David and Jody Sanders, of Plainfield, New Jersey. David serves as a NJ National Guardsman. He has been deployed to Iraq for Operation Iraqi Freedom beginning June 22, 2008 and ending in July 2009.

Thank you David for your service to the United States of America and for protecting our freedom.
